An excellent rider's backpack that meets the highest demands for back protectors and gives you all the benefits of a versatile backpack. Specifically developed with motorcycle riders in mind. Equipped with an aero dynamic moulded top to improve airflow behind riders helmet, and to give extra water protection.

The Meg Aero lid is secured with safety lock and side loops, and easy to use even with gloves. The back panel, is our Generation 4 Aero harness with air mesh for good ventilation and trimmed weight. Built with bucket seat design, like race car seats, to provide great support, balance and ergonomics.

The Meg Aero also features attachments for a wide Velcro Belt and comes standard with a heavy duty waist belt with ITW´s steel carabiners.

Inside organizer with 15" laptop pocket and accessory pockets.

For the demanding rider, check out the Velcro Belt, the Dirt Cover, and the Aeron Pocket.

The Meg Aero is also a great choice for skiers.
